## Living Our Faith to Restore Our Nation

**THEREFORE**, be it resolved that the George Washington Assembly shall support Living our Faith to Restore Our Nation program.

**WE PROPOSE to hereby declare** the LIVING OUR FAITH TO RESTORE OUR NATION program to bring our nation closer to our GOD and His Holy Mother Mary annually with a Holy procession in every State Capitol and our Nation's Capital to Reconsecrate The Republic of America to Our Holy Mother Mary and culminating in our nation's capital with a Glorious National Reconsecration and 1 million praying the Holy Rosary.

**WHEREAS** many today have fallen into despair, lost hope, and say our best days are behind us, our Nation cannot last forever, and

**WHEREAS** we, as Knights of Columbus, believe the contrary to be true, like our Founding Fathers who faced similar trials over two centuries ago and like our forefathers, are prepared to crush despair and hopelessness by Living Our Faith publicly, with the knowledge that we will inspire citizens to come back to their faith and, with the help of Providence and a deep, unwavering conviction and belief in Almighty GOD bring GOD back into all areas of our Nation, and

**WHEREAS** we, as Knights of Columbus, Patriots of our Blessed nation, go forth into this spiritual battlefield, with the intention of spreading the Christian message through love and respect with Jesus as our model, fulfilling his Holy example utilizing three Holy principles:

- Jesus is our Model for Salvation "Be Perfect just as your Heavenly Father is Perfect."
- Trust completely that the Holy Spirit will transform the hardened hearts of all we encounter.
- LOVE THY NEIGHBOR, even those that chastise and persecute us and,

**THEREFORE, BE IT RESOLVED**, to begin and continue the restoration of this great Republic, the beacon of hope to the world by a Call to Action for Living Our Faith to Restore Our Nation:

**BE IT FURTHER RESOLVED** We will annually present in a public event the Cross, our nation's Flag and the Holy Rosary to the USA state capitols, commencing in 2023 at the State Capitol of NJ, (Trenton, NJ) and culminating with a National Reconsecration of our Country with the Cross, Flag, and 1 million Praying the Holy Rosary. We go forth into this Spiritual Battlefield entrusting ourselves to the Grace and Power of the Almighty GOD, To Restore Our Nation and all the GOD given rights for all American Citizens.

**BE IT FURTHER RESOLVED** that an online platform, a single resource for live streaming for daily prayers and the Daily Rosary publicly shall be created.

**BE IT FURTHER RESOLVED** a spiritual development platform of educational resources, self-directed and formal development for personal growth in faith for the human experience of prayer, daily Rosary, and the Word of GOD shall be created.
