Good Day Worthy Grand Knight,

What is the most important part of your Council? **Your members!!!**

When we hold our meetings and have new members join and they attend that first meeting, what is the most embarrassing situation that can happen to them? You? **Not knowing or remembering their name!!!**

What little way can you give thanks to those members that make your Council the amazing Council it is?
Recognizing them by their name!!!

What way can that be done? **Name badges!!!**

Here at MDT Awards, we offer a very simple and inexpensive solution for you.

We offer 3 different styles of name badges, pocket, magnet back and pin back and 10 different versions which cover what you might currently have, **BUT**...if we don't, send us a picture and we will review and come back to you with the answer.

This is also a great time to give your current members the same respect they deserve with a name badge for them. This will also help those new members with getting to know all of your attending members and making them feel welcomed. We **ALL** know what that first meeting feels like...apprehension of saying the wrong name when saying hello or when the meeting is over and they don't feel welcomed, you never see them again.

Our name badges have our promise to you of excellent quality, clear and crisp lettering, fast turnaround production time. When you call us, you will get one of 3 owners who will take care of what you need - you will **NOT** be just a number or talk to a customer service representative who doesn't know what you need or being put on hold until they try to find out your answer...

And to add to all of this, we also offer quality plaques to honor those members who have shown that extra special effort to keep your Council moving in the right direction. Or if you need a certificate for a special event chair or a special guest. And much more as gifts, banners, yard signs and printed material....

So if you're in need of anything for your Council or Assembly, please think of us first and give us a call, you will be happy that you did...also, we donate 5% of net proceeds to NJ State Special Olympics in June and December and thanks to the Knights orders, we have made a total donation so far of \$1,100.00.

We look forward to hearing from you!

VIVAT JESUS!!
